

EXPECT ARRESTS VIOLATIONS OF FUEL LAW

WASHINGTON, Oct. 30.—Many new arrests in a number of states for violations of the food and fuel control law are expected soon by the department of justice.

Attorney General Palmer made it clear today that the government's preoccupation with the coal strike had not slowed up the campaign to reduce living costs. Since the criminal law has been added, the department of justice has been preparing to prosecute cases on evidence previously obtained. As a result, it was said that indictments might be expected soon throughout the country of persons guilty of flagrant hoarding and profiteering.

CREEL'S BOARD VERY EXPENSIVE TO GOVERNMENT

WASHINGTON, Oct. 30.—The committee on public information, headed by George Creel, cost the government about \$6,600,000 on the face of its charter records, according to official reports now before congress which says the committee's affairs cannot be wound up for six months because of the confusion.

Chairman Creel and officials of the committee are charged with gross negligence in handling the government's funds in a report by E. K. Ellsworth, of the council of national defense, appointed to liquidate the committee's affairs. The committee issued hundreds of checks for individual expenses far in excess of the \$100 maximum limit fixed by congress, the report says. They ranged, it adds, from \$100 to \$500,000. Mr. Ellsworth said he was refusing to pay some accounts approved by Chairman Creel.

Bolshevik "Mystery" Ship Carried "Reds" Propaganda For U. S.

Helsingfors, Oct. 30.—By the Associated Press.—What is described as a Bolshevik "mystery" ship, carrying a cargo consigned to "the American Legation, Stockholm," has been captured by a British destroyer in Finnish waters and taken into Ojorko. Under a cargo of flax, it is said, was found a mass of Bolshevik literature printed in English, French and German. There was also a valuable collection of art objects and films idealizing soviet conditions.

Hallowe'en at Ogden High.—A Hallowe'en party will be held tomorrow evening at the Ogden High school, the junior class acting as host for the event. The party is invitational and it is expected that a very select crowd of high school students will be present. Arrangements for an excellent dancing program have been made and Ollie Reeves' jazz band will furnish music for the occasion.

NORTH OGDEN MUTUALS OPEN CLASS WORK FOR THE WINTER

Class work has begun for the winter in the North Ogden Mutuals and everything points to an extremely successful year, both in attendance and activity. The social side of the work is well taken care of as is evidenced by the interesting party given Friday, the 14th, at which Ella Garner, Bernice Ellis and Beatrice Campbell were hostesses to the officers of the Young Men's and Young Ladies' Association. Games were played and tasty refreshments served.

Tomorrow evening, October 21st, a Hallowe'en character party will be given by these two organizations in North Ogden Amusement Hall. Much interest is shown in this party; good music has been arranged for the dancing and everyone will be expected to appear in costume.

EARL PARKER EXPECTED TO ARRIVE HOME NEXT WEEK

Earl Parker, who left Ogden January, 1917, to make a journey to Russia as a member of the American embassy, has arrived in Washington, D. C., and will be at his home in Ogden, 2933 Grant avenue, next Wednesday, according to information received by his brothers.

Parker, upon arriving in Russia almost three years ago, was with the American embassy. When the United States declared war, however, he was transferred to the United States Mission to Russia and was made a lieutenant. Until September 2, of this year, his duties kept him in Russia. He then left Archangel and sailed for England. Since that time he has visited in England, France, Spain and Italy. He will make a short stay in Chicago and Denver before arriving home.
